Final External Auditor Report and Certificate 2024/25 in respect of Poundstock Parish Council

Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a limited assurance review is set out by the National Audit Office (NAO). A limited assurance review is not a full statutory audit, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website - <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2025; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

External auditor report 2024/25

On 24 September 2025, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2025. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The smaller authority has disclosed that it carried out an assessment of the risks facing the authority by answering 'Yes' to Section 1, Assertion 5. However, the smaller authority has confirmed that it did not review their Risk management during the year 2024/25. It has provided the appointed auditor with an adequate explanation and was undertaken in 2025/26.

Other matters not affecting our opinion which we draw to the attention of the authority:

The smaller authority has confirmed that it has not complied with the governance assertions in Section 1, Box 7 but

it has provided the appointed auditor with an adequate explanation for non-compliance.

The AGAR was not accurately completed before submission for review:

- Question 11a was left blank in the Accounting Statements when originally submitted. The AGAR was returned for amendment and has been correctly answered No.*

To be in line with best practice we recommend that when minuting the appointment of the internal auditor, the council record they have considered the independence of the appointed auditor on an annual basis.

Although a precept was set by the due date, and the smaller authority did prepare a budget to support this, the budget did not appear to take into consideration the level of reserves held by the smaller authority when calculating the precept figure. The smaller authority must ensure in future years that an adequate budget is prepared to support its decision making process and to assist the financial management during the financial year. Consideration of the level of reserves held should be made as the smaller authority has no power to hold reserves.

We recommend that the authority reviews its actual income and expenditure against its budgeted position at least quarterly, as recommended by the Practitioners' Guide.

The authority carried out quarterly internal control procedures, however these were not minuted by the Council. We recommend that these procedures are appropriately minuted as reviewed by the Council.

External auditor certificate 2024/25

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2025.
